B unson home was dam- Jr. aged by fire about tenthirty Monday morning, and had it not been for prompt response by firefighters the entire building might have been destroyed.

The Beta Club of the Elba School, with Mrs. Griel Tillman as sponsor, entertained at a delightful chicken fry on Wednesday evening, May 14, at the N. Y. A. camp, house on Eastern Heights, when members who took part in the Junior play and several friends were specia guests.

FOR RENT - three room furnished apartment with private bath; available June , Mrs. R. L. Cooper, Elba, phone 134.

### REBEL STAFF NAMED AT ZION CHAPEL SCHOOL

After another successfu annual, Zion Chapel Hig School has elected the 1972 Annual Staff to start on an even better one for the coming year. They have been working very hard in making all the preparations and learning the techniques which are needed to go i the publications of the 1972 Rebel. Doing things a little different for next year, Mr. John Sanders, the annua staff sponsor, has decided to combine the eleventh and twelth grades to make up the staff. The members of the twelth grade will hold the different positions with members of the eleventh grade under them. Showing their will power and initiative to become the best yet, the following members were chosen to hold the positions on the Editor, Gary Talbot; Co-Editor, Mary Ann Baggett; Activities, Charlotte Marler, Cindi Wilson; Classes, Cindy Helms, Gail Grantham; Organizations, Judy Allen, Barbara Ziglar; Sports, Larry Doster, Star Compton; Administration, Melba Compton; Advertisements, Wayne Grant, Annie Wheeler; Elementry, Linda Copeland, Joe Johnson; Photographers,

Mrs. Elizabeth Parks Beamguard, director of the Alabama Public Library service said the purpose of the state-wide reading pro-

gram is to provide planned recreational reading for boys and girls in their formative years. She said libraries throughout Alabama are cooperating in the program and reading records are interchangeable so that a child may complete the program even though he may spend part of the summer away from home. This is the first time Alabama had had a state-wide summer reading program. Every child completing the program will be awarded a Gold Mine Certificate. Parents are invited to contact the Elba Public Library to complete enroll-ment of their children in the summer reading program.

# IN THE CHURCH

OF YOUR CHOICE

ALL FOR THE CHURCH The Church is the greatest factor on arth for the building of character an ood citizenship. It is a storehouse o cross-arms of a weathered pole - the ends piritual values. Without a strong Churc of the earth meet! either democracy nor civilization car survive. There are four sound reason why every person should attend service

a woman in San Francisco may be speaking to her husband in Tokyo . . . . a boy at Princeton may be inviting a girl in Albuquerque to a football game . . . and Mrs. Green of R. D. No. 1 may be placing her order with Mr. Brown of the Crossroads Store. Here - where sixty wires cling to the

It's like that in our local churches on Communion Sunday. Whether fifty or five hundred receive the Holy Sacrament . . . the ends of the earth meet. For the Lord's Supper is not a rite of one church or one denomination. It is the common sacramental feast of millions of Christians all over the world.

Are you availing yourself of this blessed privilege, and are you attending your church regularly? As you receive this Sacrament in your church, your life is linked to the lives of Christians everywhere. And you and they are united in a common communion with God

Buck Brownlee, Elba Representative

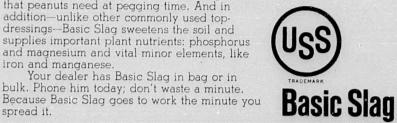

An extra 140 pounds of peanuts per acre Do you know the difference between just liming

peanuts—and liming plus top-dressing now with The difference in yield can average 140 pounds more per acre, this year. And the difference in gross income, about \$16.50 per acre, based on 1969 prices for Grade-A peanuts. What's more. Basic Slag top-dressed at about 500 pounds per acre produces a measurably higher percentage of sound, mature kernels than liming alone. These are the results of a twelve-year study

at the Alabama Experiment Station, and the reasons for them are clear. Basic Slag supplies the quick-acting calcium that peanuts need at pegging time. And in addition—unlike other commonly used topdressings—Basic Slag sweetens the soil and supplies important plant nutrients: phosphorus and magnesium and vital minor elements, like iron and manganese Your dealer has Basic Slag in bag or in

bulk. Phone him today; don't waste a minute.
